REDWINE AND HILL.

Speeches To-Night From Two
Well Known Democratic
Leaders.

Chairman David B. Redwine and
C. Breck. Hill, Nominee For
Secretary of State.

There will be two speeches at
the Court House to-night in behalf
of the Democratic State ticket.

Judge David B. Redwine, Circuit
Judge of the Breathitt county dis-
trict, and chairman of the late
Democratic convention, will be one
of the speakers. He is one of the
strongest leaders of the party in
the mountain district and will have
much of interest to say of the
methods by which the Republicans
have created a necessity for a law
to prevent frauds in counties con-
trolled by them. Those who have
heard so much about Judge Red-
wine will have an opportunity to
see that he has neither horns nor
hoofs, but is a mild-mannered gen-
tleman, whom to know is to esteem.

The other orator will be Hon. C.
Breck. Hill, of Clark county, nom-
inee for Secretary of State. He is
a forcible and entertaining speaker
and will make a fine speech.

Everybody is invited to come out
and hear them.

SEXTUPLE MURDERER.

Louisville Police Believe They
Have The Badly Wanted
James Dunham.

Louisville, Ky., Aug. 11.—The
local police are beginning to figure
on the \$11,000 reward outstanding
for the arrest of James Dunham,
the sextuple murderer wanted in
California.

About a week ago a suspect was
arrested here and a photograph
was sent to the California authori-
ties. To-day the following telegram
was received from San Jose, Cal.:

"Your suspect has strong resem-
blance to Dunham. Hold for further
investigation. Has he scar in
edge of hair over right ear?"

The prisoner has the scar indi-
cated. When arrested he gave the
name of E. C. Netherfield and
claimed to be from Ohio.

CARTER HARRISON

Will Be Invited to Accompany Mr.
Bryan on His Stumping Tour
of Kentucky.

Chicago, Aug. 11.—Judge Ogden,
of New Orleans, Mayor Harrison's
father-in-law, left to-night for Huron
River, Mich., where the Mayor is
spending his vacation, bearing an
invitation from the Democratic Com-
mittee of Kentucky for the Mayor to
go to that State in September and
accompany William J. Bryan in the
campaign the latter has promised
to make in aid of the election of
candidate Goebel. A similar invita-
tion is to be sent to ex-Gov. Stone,
of Missouri, and the purpose is to
have the trio make a grand tour of
the State arousing Democratic en-
thusiasm in behalf of the Demo-
cratic nominee for Governor.

HENDERSON REFUSED.

A Pardon by Gov. Bradley With
Several Others.

Frankfort, Ky., Aug. 11.—Gov.
Bradley did a wholesale business
to-day in the pardon refusing line.
He turned down seven petitions, as
follows: John S. Henderson, of
Christian county, manslaughter; G.
W. Kidd, of Whitley, manslaughter;
William Cornett, of Leslie, perjury;
John Beavin, of Breckinridge, citi-
zenship; William Helm, of Ballard,
same; Andrew Brooks, of Knox,
same; George Smith, of Jessamine,
same. Citizenship was restored in
the case of John Muir, of Todd
county, sent up in May, 1888, for
cutting and wounding.

A THOUSAND DEAD.

The Storms in the West Indies
the Worst on Record.

The Entire Island of Puerto Rico
Devastated and 100,000 Peo-
ple Homeless.

Washington, Aug. 13.—The fol-
lowing are the dispatches received
by the War Department from Gen.
Davis to-day:

"San Juan, Porto Rico, via
Hayti.—The true state of affairs
throughout the island is not yet
known because of total destruction
of all telegraphic connections and
great destruction of all roads. Not
more than one-fourth of the towns
are yet heard from, but enough is
known to warrant the statement
that one-fifth of the dwellings in the
island are destroyed and their own-
ers are without any shelter what-
ever, or any food beyond what has
been saved from the debris.

"The coffee crop and most of the
trees are ruined, and thus reliance
for support is gone. Fully one-
third of the people subsist entirely
on fruit and a small degree on tu-
bas. All the former is destroyed
and much of the latter is rotting in
the ground. Great many thousands
of cattle are drowned, and the de-
bris carried down by the rivers is
strewn over the ocean with the
wreck of the storm and the dead
bodies of animals.

In the Thousands.

"The deaths from falling walls
and drowning will number more
than a thousand, and may be sev-
eral times this number. The state
of distress is very great, and when
green fruits saved from the debris
are consumed the suffering will be
very great. I am relieving the suf-
fering everywhere within reach as
much as possible, but in out-of-the-
way places there are many thou-
sands who cannot be reached for
some time."

FRANKFORT PRIMARY

Shows That Goebel Will Secure a
Handsome Majority.

Frankfort, Ky., Aug. 12.—A
Democratic primary was held in
this county yesterday to select a
candidate for jailer, and 2,830 votes
were cast, being divided between
six candidates, so that Martin Law-
rence, with 728 votes, won the nom-
ination. The significant thing
about the vote is that several men
who would not agree to support the
state ticket were not allowed to
vote, and it was the understanding
that no bolter ought to vote, so the
most of them stayed at home. Bry-
an received only 2,464 votes and 289
majority in this county in 1896, so
the conservative figures show that
Goebel's majority will be over 1,000.

DR. McCORMACK

Fears the Spread of Smallpox
Throughout Kentucky.

Bowling Green, Ky., August 12.—
Dr. J. N. McCormack, Secretary of
the State Board of Health, received
a telegram announcing that there
had been discovered 12 cases of
smallpox at Clementsville, Casey
county. The doctor seemed to be
considerably worried over the
smallpox situation, and said that
there had been smallpox in more
than 40 counties of the state within
the last 18 months. He stated that
unless there was general vaccina-
tion and every precaution taken as
to sanitary measures, with the ad-
vent of cold weather the disease
would spread rapidly.

A Preacher's Close Call.

The Rev. Carter Helm Jones, of
Louisville, and his family, had a
narrow escape from drowning Sat-
urday morning, while fishing in the
flats near Detroit. Their boat was
overturned and they were compelled
to cling to it over an hour before
land was reached.
